"The Y-Files"

By Kevin

From the creaters of "Alex McBelle" (Me) comes a brand new series. They call it "The Y-Files." Join Mudder & Scum as they fight alians and their evil nemisis Cigarbutt. The truth is right under their nose.

AN: I hoped you like this spoof. I'm sorry if it's not very true to "X-Files," but I have never seen the show. I did this for my good friend Shadowcat, who is a big fan of the "X-Files." But if you did like this, than keep an eye out for more spoofs.
